- Campus Safety Emergencies:
 - 616-526-3333
- (or 911)

Internet

- eduroam (if you have it) should work!
- others: connect to CalvinGuest and follow instructions to register

Workshop Materials

If using posit.cloud

- Log in to your posit.cloud account
- *Share posit.cloud email with Stacy*
- You'll be added to the space "Applied Regression Workshop"
- In the space...
 - Click blue "New Project" bubble
 - Choose "+ New Project From Template"
 - Choose the template **arm-workshop-materials**

Workshop Materials

If you downloaded R/RStudio (*GitHub*)

- Download materials (zip file):

<https://cutt.ly/arm-materials>

Workshop Materials

(Expert Level)

If you have R/RStudio & use GitHub

- Clone repo:
 - <https://github.com/stacyderuiter/arm-workshop-materials>
 - You may want to do so [as an RStudio project](#) (if you use RStudio projects)

Workshop Materials

Key Directories

- **slides** for slides
- **practicals** for hands-on activity instructions
- `posit.cloud` users: stay tuned for real-time collaboration option for practicals
